

REMARKS

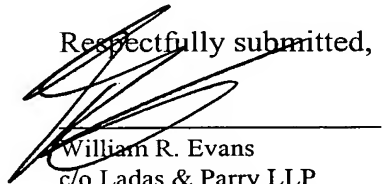

The allowability of claims 5 and 12-14 is acknowledged appreciatively and accepted by combining claim 5 with claim 1, whereby the remaining claims are also allowable.

The specification is amended to confirm the dome shape according to original Figs. 1 and 4.

Entry of the Amendment of September 9, 2004, has already been requested.

Passing the application to issue upon reconsideration is, therefore, requested.

Respectfully submitted,

William R. Evans
